

# Group Financial Controller

London

Salary: c70-£75,000 + Benefits

The Hyde Group is one of England's largest Housing Associations with a turnover in excess of £165m and employing over 1500 staff. Hyde own or manage over 40,000 homes and provide housing, regeneration and related services to over 120,000 people. A new Group Financial Controller for the Financial Services Division is now required as part of the ongoing development of the organisation. The successful candidate will report to the Director of Financial Services and will also have significant direct exposure to the Group Finance Director and other main board members.

## Key Responsibilities

- To design and deliver accounting controls and processes to meet or exceed all statutory accounting requirements
- To deliver value added accounting and management information to the board and other stakeholders enabling achievement of a high level of service delivery to the business
- To deliver value added accounting and management information to the board
- To deliver and maintain a group wide IT financial applications strategy
- To provide financial resources to the wider Hyde Group to achieve best practice integration of new business activities

## Candidate Profile

- A qualified accountant with strong financial control experience
- A good track record in people management and developing teams
- A commercial outlook and proven experience in driving change initiatives
- Comfortable influencing and presenting at board level
