

Can you add value to a leading brand and become the finest?

Assistant Pensions Manager Competitive Salary plus DB Pension

Hertfordshire

(20 mins from Liverpool St. Station)

Tesco is one of the world's leading international retailers, employing over 450,000 people in its businesses around the world. Operating in 14 markets throughout Europe, the US and Asia, Tesco is a market leader in six countries.

This is a fantastic opportunity to join one of the most forward thinking and dynamic pension schemes in the country. Committed to providing a first-class service to all members, 250,000 within the UK alone, the team relentlessly pursues excellence in all areas.

This role will suit an experienced pensions professional with strong knowledge of UK pensions schemes and ideally some international exposure.

Key Responsibilities

- Assisting the senior pensions team with the creation, implementation and development of new strategies e.g. scheme design changes
- Key role in developing overseas pensions strategy
- Research into new ideas in areas such as policy and technical
- Ensuring pension scheme compliance and the provision of up to date technical information
- Ad-hoc project work

Candidate Profile

- At least 5 years experience working on projects around pension scheme strategy, to include DB and DC
- Robust technical skills, with up to date understanding of current legislation
- Consultancy or In-house candidates considered
- Highly adept communicator and strong project management skills
- Capacity and desire to learn new concepts
- Proactive and progressive character who is driven by achievement
- APMI or actuarial qualification

Tesco is committed to providing comprehensive career paths and development to all its staff.
