

Proud to be a building society

Nationwide is the UK's third largest mortgage lender and second largest savings provider. More significantly, it's the largest building society in the world. Taking pride in doing the best for members and championing the rights of all consumers, the society is aiming higher, thinking smarter and acting faster than ever before. And it's looking for people who are proud of what it stands for, and who have the talent and drive to boost performance still further.

PSD are searching across the UK for three pensions professionals to join the in-house pensions management team. Based at Nationwide's head office in Swindon, just minutes from the M4, you'll deliver a first-class service to the 27,000 members of the Nationwide pension schemes.

Pensions Compliance Manager

You'll be an expert in policy and compliance with an in-depth understanding of DWP, HMRC and TPR. This role is integral to managing the governance aspect for the DB and DC pension schemes and your skills will reduce the reliance on third-party advice. Daily activity is varied, challenging and very stimulating and involves supporting on mergers with other organisations, including transfer of assets and or liabilities, winding up legal affairs and managing documentation compliance. You'll also work closely with external advisors and pensions bodies as well as with internal Finance and HR teams.

Equipped with strong DB and DC pensions experience, you'll have already managed regulatory and governance issues and explained complex solutions. You'll also be working towards a PMI qualification.

Pensions Team Leader

Heading up a small team of pensions administrators whose main focus is Money Purchase schemes, you'll deliver the best quality service to members by motivating the team to fulfil strict SLAs and managing external third-party administrators. Smoothing workflows and continually monitoring and improving the pension processes, you'll also provide life cover for all our employees. At the same time, you'll support the success of services to members of the DC pensions scheme.

A strongly customer-focused team player who is working towards a QPA or equivalent, you'll have good leadership experience in a DC administration environment.

Technical Specialist (12 month Contract)

You'll focus on Trustee services and pensions projects. Working in the Governance team, you'll be a specialist on DB & DC pension arrangements, delivering a timely and high-quality service to members, trustee boards and the business. You will handle small but critical projects. These could involve anything from delivering communications and monitoring legislation to working for the trustee boards and merging different pension schemes.
